CHARLEROI BOY SHOT BY CONSTABLE AT FOOT BALL GAME

THOMAS RHODDY, JR. DIES IN HOSPITAL

Tragedy Marks the Contest Yesterday Between Charleroi Ramblers And Elco Comets — Thomas Roddy, Jr., Shot By Constable

DEATH IN A FEW HOURS

Taken to Charleroi-Monessen Hospital, Where He Succumbs to Wound— Tried to Place Roddy Under Arrest, When Youth Said to Have Retreated

Tragedy of the darkest hue marked the football game at Elco yesterday afternoon; a tragedy whose sequel is the cold and lifeless remains of a Charleroi young man, Thomas Roddy, Jr., who met his death by shooting at the hands of Constable William Roy of Elco, when, it is said, he attempted to make his get-away from the officer, after Roy took him into custody during a heated argument in a game which the Charleroi Ramblers were playing with the Elco Comets. Thomas Roddy, Jr. who was 22 years old, was taken to the Charleroi-Monessen hospital, where his death occurred last night at 10:45 o'clock. A post-mortem revealed that the youth had been shot in the back, the bullet lodging near his heart, and puncturing a lung.

According to about 30 witnesses of the shooting, the act of the officer was unwarranted and unprovoked. When the Roddy youth realized that he had been shot, he turned to his companions and said: "Good-bye boys, I am shot; the end has come." Constable Roy was placed under arrest by Chief of Police James A. Murphy and Patrolman Rome Ross and lodged in the Municipal building here. He was taken to the county jail at Washington today.

The Roddy boy, who was well known and a general favorite among the youth of the borough, in athletic circles, and otherwise, was lineman at the game at Elco. It is said that an argument arose over a play, in which the decedent took a leading part, and Constable Roy says he placed him under arrest.

It is said that the young man made a dash to get away, when suddenly Roy whipped out a revolver and fired point blank at him at a distance of perhaps 25 feet. The bullet struck him under the left shoulder.

Constable Roy, who is about 30 years old, is married and has two children. He has served as an officer at Elco for about a year.

The deceased had been in the employ of the Macbeth-Evans Glass Company of this place, but it is said that he had recently taken a position with the Pittsburgh Steel Products Company

The body was taken to the undertaking parlors of Michael T. Crowley where it is being viewed today by many of the young man's friends and acquaintances in the borough and community.

Constable Roy says that the shooting was accidental; that he didn't mean to shoot the boy; but that he fired to scare him with the expectation that he would halt.

There survive his father, Thomas Roddy, Sr., 1014 McKean avenue, three sisters, Anna and Sarah, at home; and Mrs. William Kearns, Roscoe; a brother, John Roddy, at home.

THINK!

Constitution A Safeguard

The fundamental difference between the LaFollette group and the other two parties is reflected in the LaFollette attack on the Constitution. The radical group proposes, in effect, that the United States abandon its present form of government with balancing powers and make congress the final power in the government by giving it the right to override the Supreme court decisions.

Has Congress gained the confidence of the people to the extent that they desire to entrust it with such power? The Constitution is really the safeguard of the people's liberties against any possible aggression or overbearing spirit. It affords religious freedom; the right to own property; the right to trial by jury. Excessive bail, fines and cruel punishment are prohibited. The right of suffrage is given to women.

As General Dawes says: "What kind of a government would this be if Congress had the right to pass a law telling every citizen where to go to church or taking his property away and giving it to someone?" This could and might happen if the LaFollette plan were adopted, whereby Congress by re-enacting an offending law, could make it constitutional.

Congress, controlled by capital, could pass a law prohibiting the organization of workmen's unions or collective bargaining, thus taking away the only effective means they have of demanding recognition. Do you want this kind of government?

Looking Ahead For The Big Minstrel Show

The pupils of the High Shool are looking forward to a very interesting time within the next two weeks as two of the principal events of the school year are scheduled for that time. First, the best football game of the season with California on Saturday afternoon and second, the High School Minstrels on Wednesday, Thursday and Friday evenings.

If you were to visit the various departments of the High School after school hours, you would find girls designing and making costumes, painting new scenery, special orchestra rehearsals and you might hear Edward Shepherd singing his new song, "Fairy Tales.' This is a popular waltz number by the poet. He has a verse about all the popular people of Charleroi.

One of the outstanding features of the play will be thecomedy which is used as an introduction to the Minstrels. Aunt Matilda, played by Alice Feeney, hears about the Minstrels from her brother Herschiah Spooner and arranges to visit her niece, Mrs. Hazelton.

Mrs. Hazelton employs a colored servant, Pete, played by Bennie Trnavsky. Pete quickly takes a dislike to Aunt Matilda and the fun be-

YOUTH SHOT BY ACCIDENT

Frank Ricaldo, aged 18 years, of Courtney, employed as a truck driver by a Monongahela firm, is in a serious condition at the Memorial hospital with his left arm and side shattered by a shotgun fired at close range.

Adam Zewe, who lives near New Eagle, is said to have accidentally shot Ricaldo while hunting. A cow, the property of the Ricaldo family, wandered into a field, and the unfortunate youth had located the animal and was taking the cow out of the field, when Zewe approached. It was while the two were talking that the gun was discharged. Mr. Zewe secured an automobile and rushed the young man to the hospital.

KLAN RIOT OF SATURDAY IS TO BE PROBED

Niles, Ohio, November 30—Major General Benson W. Hough, temporary military ruler of Niles, today asked Harvey A. Burgess, Troubell county prosecutor to call a session of grand jury to probe Klan riot of last aturday in which 11 were wounded.

Responsibility of city officials in the outrage of mob violence will be ascertained, it was said.

This means that Mayor Kistler, accused by Anti-Klansmen of being alligned with the hoded order, will be asked to explain what he did to halt the religious war.

Wade Cannot Resist Coming Back; Arrested

Escaping from the county jail at Washington over one year ago while employed as a trusty, Clarence Wade, about 30 years old could not resist a longing to return to the "First Washington" and he is once more behind the bars with little likelihood that he will again get to enjoy the limited freedom that comes from being a trusty.

Wade was seen by Constable George R. Mosley on the county seat streets Saturday. Wade discovered that he had been noticed by the officer and tried to make his getaway but Constable Mosley and Patrolman James Armour rounded him up.

Wade, who served on the Washington police force for a few days, was sentenced to a term in the workhouse for assaulting Constable O. S. Simpson when the latter tried to levy on his household goods. He was originally sentenced to the workhouse but the court changed the sentence to a term in jail.

After serving part of his term Wade was placed on the trusty gang and while working about the buildings walked away in March of 1923. Additional charges will be preferred against him before Alderman J. F. Carmichael.

Charleroi High to Get In the Best Possible Shape For the Forthcoming Struggle With Hardest Opponent, California High

BIG CROWD ANTICIPATED

Records of the Two Teams Do Not Fully Answer the Problem of Which School Will Celebrate the Victory of Saturday's Game

The Charleroi Baseball Park will be the busiest place in town between the hours of three thiray and five thirty every day this week until Saturday rolls around when at three p. m. Charleroi High School, undefeated to date, will clash with its hardest opponent, California High School, also an undefeated team. Both schools feel confident of victory and if both teams play the brand of ball expected of them the fans will witness a battle that should be a classic.

Both teams were idle on Saturday Charleroi due to Waynesburg High School's cancellation and California purposely so, as their original schedule left Saturday permanently open.

Careful observers of the situation are prone to view the coming game with considerable doubt. California has a little better of it with veteran material and their defense has been cracked for only one touchdown while the green Charleroi line has given way to its opponents on three occasions.

The records of the two teams however do not fully answer the problem of which school will cedebrate the

Rallies Are Held On Saturday Night

Three Republican rallies held Saturday night closed a week of active campaigning on behalf of the Republican ticket, under auspices of the speakers' committee of the Republican County committee. Starting last Monday night, two or three meetings were held nightly in different sections of the county. At all of the meetings despite many counter attractions due to the Hallowe'en season, the attendance was good and much interest was manifested in the discussions of campaign issues by the various speakers.

Among those who participated in the allies were Congressman Henry W. Temple, Gen. Edward Martin, Judge Norman E. Clark, Judge J. Boyd Crumrine, D. Glenn Moore, District Attorney Howard W. Hughes, Assistant District Attorney Warren S. Burchinal, Attorneys Rufus S. Marriney, Alexander M. Templeton, Harry A. Jones, and Richard G. Miller, Mrs. Charlotte M. Hughes, of Washington, and Attorneys James A. Garrison and Thomas H. Shannon of Waynesburg.

Three meetings were held Saturday night and the attendance at all of them was reported good. Congressman Henry W. Temple and Attorney Richard G. Miller spoke at California. At Walkertown, District Attorney Hughes and Assistant Burchinal were the speakers. The speakers at the West Alexander rally, held in the bank hall, were Judge Clark and D. Glenn Moore, candidate for state legislature. This meeting was attended by nearly a hundred persons.

VOTE TOMORROW.

One of the greatest presidential campaigns in the history of the United States—a campaign that stands out unique, comes to a close today, and tomorrow the masses of the people, north, south, east, and west, will go to the polls to exercise their right of franchise, and let us hope that the preponderence of the verdict will be in favor of the Republican candidates, Coolidge and Dawes; in fact that from the greatest to the least, all the candidates on the Republican ticket will be returned winners.

But the main thing is for the people, women and men, is to go to the polls and vote. The issues of the campaign have all been discussed by the candidates of the three parties—that is the three leading parties, and people by reading the speeches and hearing the orators know what the issues at stake are. The results are momentous, for in the decision of the people depends the prosperity of the state, and of the nation. Ballots marked for the Republican ticket, and vote the ticket straight, means the confidence in the nation will be maintained, and that the interests of the country which furnish employment to labor, will go ahead and make improvements contemplated, confidence will be maintained, and that business of all kinds will have an upward turn. On the other hand, if the Democratic candidates are elected, we may expect a recurrence to the long line of unemployed and business conditions below par. Elect the men that believe in protection to American industries, for it is through them that prosperity, especially in this manufacturing district, is entailed.

But let every man and woman vote. Don't neglect this important duty, this important privilege. There is no reasonable reason why Charleroi, North Charleroi, in fact all the voting territory of this community, of this county, cannot turn out to the polls and make a well-nigh 100 per cent showing.

DeMARCO-O'BRIEN CLASH TONIGHT

Charleroi's Pride is Going to Show "Pep"

O'Brien What Real Fighting is When They Meet Tonight at Motor Square Garden

After months of inactivity the local fight game gets away to its season start tonight when Motor Square Garden, for the first time since last spring, throws open its door with a bout which should be of more than passing local interest. It will mark the first bout held in Pittsburgh since the Garden's last one, not one show having been staged throughout the entire summer. Tonight in the main bout Cuddy DeMarco, the Charleroi flash, meets the only lad who ever earned a decision over him in this district, Pep O'Brien, a rugged Italian [illegible] the hardest punchers in the division.

With the appearance of O'Brien and three new lads in the prelim, Matchmaker Johnny McGarvey has tried to answer the cry for new faces, and tonight Frankie Stellmack, who meets Tony Ross in the eight-round semi-final, Walter Dickerson, California slugger, and Jimmy Corbett, a Youngstown phenom, make their debut Dickersen takes on Young Penno, the McKees Rocks slugger, in the second bout while Corbett meets the flashy Franki Carpentier, of New Kensington, in the opener.

DeMarco, with a win over O'Brien, has a chance of staying in the lightweight qualifying round in New York, and this may be more than an ordinary stunt for the Charleroi kid to perform. A few weeks ago in McKeesport, O'Brien, called in on short notice, gave Cuddy more fight than he has had in a long while and gained the decision over him. This in itself must be pretty good proof that O'Brien can fight and that night he socked a terrific righthander to DeMarco's chin often enough to send a less rugged or game kid to the floor.

Since that DeMarco, who has always shown as a boxer, has turned to fighting and the fact that he can fight when he wants to was proved by scoring a knockout in his last start when he stopped a tough kid named Simms in Steubenville. Tonight DeMarco will have to fight every minute to keep O'Brien from scoring the last stuff he did the last time they met. O'Brien is rated as one of the toughest lads in the class as well as the hardest puncher, his feat of having dropped Lew Tendler in Philadelphia last year being one of the biggest surprises in the East.

O'Brien, trained to the minute, instead of the shape he was in the last time in Pittsburgh, arrived last night and today will tip the scales at about 136 pounds, the weight agreed upon being 138, this being to DeMarco's advantage, as the latter is slowly growing heavy All that can be asked is the same stuff they showed the last time out, as this proved that DeMarco can really turn fighter when the occasion requires. Local fans want to see him slug and realizing that his future and that means a bout with Jack Zivic, the local lad will likely have to lay boxing aside for the night. This should insure a whirlwind bout.

Tony Ross of Carnegie, who recently beat Bobby Tracey in Buffalo, will have his name full, with Stellmack, who is a willing, aggressive, two-fisted mixer, who has been going great in Ohio rings. Penno and Dickerson have shown that they can do little other than slug and it may be that this bout will end abruptly. Little is known of Corbett, but Carpenter, who grew to be a sensation on the Southside, and showed well later.

Figuring that local cards are always best when pitted against the best out-of-town opponents, Matchmaker McGarvey has also signed Jack Zivic and Nate Goldman for his show next Monday, the plan being to put DeMarco and Zivic through an elimination test before bringing them or their conquerors

The Charleroi contingent have reserved a block of seats for this evening and anyone who wishes to join the throng can get reserved seats at R. O. Vetter's tailoring establishment 311 Fallowfield avenue.

CUDDY DEMARCO

He will give "Pep" O'Brien a boxing lesson at Motor Square Garden tonight.

ORNAN MORGAN BREAKS FINGER CRANKING VICTROLA

Ornan Morgan, youthful singer of this place, Friday evening met with an unfortunate and painful accident when he broke the fourth finger of his right hand at the second joint, while cranking a victrola.

The accident occurred after choir practice of the M Keesport M E. church held at the home of George W. Wright of that city. While Ornan was cranking the machine in some manner it flew back and struck his finger. A physician was immediately called to the home and set the injured member.

PINCHOT'S EDICT IN EFFECT IN SOME SECTIONS

Harrisburg, Nov. 3. — With more than a dozen fires raging in eastern Pennsylvania, Governor Pinchot's proclamation against hunting remains in effect in the Pocono mountains and sections where it was believed the danger had been averted by Saturday's rain.

A section of more than 1,000 acres was burned over during the past 48 hours north of Stroudsburg, Pa., while nine fires occurred Saturday and thirteen Sunday in the Pocono region.

Another fire in Bradford and one in the region of Bear Creek, Luzerne county, indicated that parts of the state was still unsafe for hunting.

High winds which sprang up over Sunday were said to have increased the hazard of forest fires in northeastern Pennsylvania where little rain fell.

The eastern and northwestern parts of the state were reported to be damp and in some parts visited by snow. These conditions have made that region west of the Allegheny virtually free from danger according to reports to the department of forests and waters.

BROWNSVILLE WINS FROM CHRISTY PARK AT BROWNSVILLE

Christy Park could not stop "Dutch" Biddle at Brownsville yesterday and as a result the Brownsville eleven triumphed over the crack McKeesport team by a 22 to 0 score, giving the visitors their worst beating in years and gaining a sweet revenge for a defeat handed them last season by the Christy Park team. Biddle never played [illegible] and he was in every play and in all the scoring he played a prominent part aided by Zook. Klinzing playing his first game for Brownsville also showed to advantage during the contest while Smeach played a bang-up game. O'Toole played best for the visitors.

GETTING READY FOR THE BIG HOME GAME

(Continued from first page)

victory of Saturday's game. If Charleroi can be brought up to the pitch needed for a game of this importance they should not enter the game as the underdog because they only defeated Monessen High School by a 14-0 score where California defeated the same team by a 34-0 score. Comparative scores do not tell the story

The crowd on Saturday will probably be the largest in history of local sport. It can be said that California plans to close up the town on Saturday. They are to be accompanied by a large band and the game promises to take on theappearance of an intercollegiate contest. Pep meetings are to be scheduled during the week in effort to arouse the student body from their lethargy at the local school. If the local team is to come through with a victory on Saturday the student body will have to show more pep than they have yet this season.

It is to be hoped that nothing will occur that will mar what promises to be one of the finest gatherings in the history of local sports. Charleroi fans have earned the reputation of being fair and if thetreatment accorded Charleroi by California last year is to be improved upon local fans will have to go some. Charleroi High School respects the efforts of California in matters athletic, and while the rivalry is intense there never has been any outward break between the two schools and let it be honed by all those interested in both schools that there never shall be.

In order to expedite matters at the gate, tickets will be placed on sale at the Pennsylvania R. R. Depot and outside the main gate. Cars will be located along McKean Avenue leading to Second Street where tickets will also be sold. All students must purchase their general admission tickets at the high school on Friday noon. There will be nothing but adult tickets sold on Saturday and they will sell at the usual price 50c.

CARNEGIE TIES WITH THE NORMAL TEAM OF CALIFORNIA, 7-7

In the preliminary to the Carnegie-Western Maryland game, the Carnegie plebes were compelled to be content with a 7-7 deadlock against California Normal Saturday in the Skibo bowl. Jones scored California's lone touchdown early in the fourth quarter.

"THE SEA HAWK" RICH IN DRAMA

Regarded, by virtue of its originality and magnitude, as even a better entertainment than the author's well remembered "Scaramouche," Rafael Sabatini's "The Sea Hawk" as picturized by Frank Lloyd and released as a First National picture, comes to local playgoers, today, tomorrow, Wednesday and Thursday on screen of the Majestic Theatre.

Resplendent in rich dramatic value and requiring many and massive backgrounds for its many big sequences "The Sea Hawk," as transferred to the screen by Mr. Lloyd, is not only one of the outstanding cinema achievements of the past year but one of the singular triumphs of screen history.

Whereas the average superproduction has had its locale on the land, a majority of the big scenes of "the Sea Hawk" have been taken at sea, on four gigantic ships of the Sixteenth Century period, two of them rowed by galley slaves.

Seven "Bibles" in All

Other scriptures regarded as Bibles, in order of age, are as follows: The Zendavesta of the Persians, which contains the sayings of Zoroaster; the Three Vedas of the Hindoos; the Five Kings of the Chinese; the Pitikes of the Buddhists; the Koran of the Mohammedans; the Eddas of the Scandinavians. The Bible is the oldest of these, while the Koran is the most recent, about the Seventh century. The Eddas were not published until the Fourteenth century.

Savings Deposits

There are many people who delay the opening of a Savings Account because they feel that a small deposit will not be welcome and that it is better to wait until they have accumulated a considerable sum. Too often they keep on waiting.

The First National Bank wants you to know that we welcome Savings deposits in any amount from $1.00 upwards and that the size of the account does not matter so much. The REGULARITY with which you save means more to us—and to you—than the amount deposited.

MAN CHARGED WITH MURDER

Sonny Jones confessed murderer of Hattie Frazier of Baltimore, who was taken into custody with a number of other alleged gamblers when a raid was conducted on a poolroom at Eleventh street and Schoonmaker avenue, Monessen, several weeks ago, is now lodged in the Baltimore jail awaiting trial for his crime.

Armed with extradition papers signed by Governor Pinchot, Lieutenant of Detectives Joseph H. Itzel of Baltimore, went to Monessen last week and Jones was turned over to him.

Jones, according to the officer, fatally stabbed the colored girl on June 8 of this year and then made his escape. His victim died in the Baltimore hospital a few days later. He denied being the man wanted for the crime, but finally broke down and confessed and the Baltimore authorities were notified. Lieut. Itzel on his arrival in Monessen identified the prisoner as the man wanted, and stated that Jones was known as a "bad man" in Baltimore. [illegible] Frazier woman occurred a few days after Jones had been relased from jail where he had just completed a six months' sentence for previously stabbing the woman.

CONTESTS FOR THE SENATE TO FEATURE

Harrisburg Nov. 1—The contests for places in the next senate of Pennsylvania forms one of the real features of the coming elections. In almost every case there is room for speculation as to the outcome. Senators in odd numbered districts are to be elected Tuesday.

Perhaps the most picturesque election will be the naming of the first woman member of the upper body. Mrs. Flora M. Vare, wife of the former Senator Ed Vare, deceased, is the Republican candidate in the first district of Philadelphia.

Some of the old wheel horses are running again where others dropped out. Notable absentees from this election races are: Senators Sisson, Erie, Smith, Dauphin, Long, from Franklin Adams district, defeated for Republican nomination but running independent, Christley, Butler, and Confressman Vare, Philadelphia.

There will be some new faces in the senate, some resulting from voluntary withdrawal and others who will go down to defeat Tuesday.

The fights may be found, however, centered around the Republican choice for president of the senate, John G. Homsher, Lancaster with democratic-labor party support against him. T. Larry Eyre will win, it is conceded, after a fight, in Chester. Senator Culbertson of Lewistown, has a hard race against Former Senator Scott Leiby, of Marysville, and no one ventures a thought on the Cambria situation.

AMBASSADOR SAILS FOR ARGENTINA

Paris, Nov. 3—M. Pueyrredon, Argentine ambassador at Washington, has sailed for Argentina after spending a month here.

GRATITUDE

Well, the country surely ought to have "dug up" liberally for the Republican campaign fund, considering what the Republican party has done for the country.

In Society's Realm

The Charleroi-Monessen hospital Auxiliary will meet this evening in their regular meeting at the Municipal building.

Tomorrow evening at the Methodist Episcopal church, the members of the Zananna Bible class will hold their regular meeting. A good atendance is urged.

A large number of boys and girls attended the Hallowe'en birthday party given in honor of Bryan Davis at his home in Shady avenue Friday evening. The interior of the house was prettily decorated in Hallowe'en colors supplemented by witches, and black cats. The time was pleasantly spent in playing various games, and prizes were given to Harry Grogan and Roy Davis for wearing the best costumes Out-of-town guests were present from Belle Vernon and West Elizabeth. At a late hour luncheon was served by Mrs. Davis. Bryan received many beautiful and useful presents.

Though a good many cars get smashed to bits at grade crossings, what usually suffers worst in it are the nuts.

MYSTERY IN THE SHOOTING OF A MONESSEN MAN

A shooting affray, the facts of which are shrouded in mystery, took place in Monessen at 9 o'clock last night at the home of Peter Alesio, 673 McMahon avenue. Alesio, together with his brothers Tony and Jack, who occupy the same house, were undoubtedly engaged in a quarrel and an alarm was sent into police headquarters. Patrolmen were sent to the Alesio home, and upon entering found Peter crouched in a corner with his right hand blown off and his right breast full of buck-shot. Dishes were broken and scattered around the floor and chairs overturned. hortly after the accident Jack Alesio entered the house and said he was outside at the time of the accident and could not give any information. He was placed under arrest and lodged in the Monessen jail, but later released. Tony, the other brother, together with his wife, disappeared, the wife returning shortly before midnight but she would not give any information as to the whereabouts of her husband.

A dresser drawer had been ransacked and the contents thrown about the floor. The police are of the opinion that during the quarrel, someone went to the second floor of the house, secured the gun and shot Alesio at close range. The injured man said he shot himself and nothing could change his statement.

He was taken to Memorial hospital at Monongahela. His condition is not serious. Chief of Police Horn of Monessen interviewed the man at the hospital this morning, but he still claimed he had shot himself and no one else was responsible.

Hunters Kill Valuable Holstein Cow Owned By Chartiers Farmer

John A. Brown, who resides on the Charles Paxton farm about one ard one-half miles northwest of McConnells Mills in Chartiers township, lost a valuable four-year old Holstein cow Monday afternoon or evening, the animal being shot by hunters. Mrs. Brown heard a rumbling Monday afternoon in the direction of the woods, but was not certain as to whether it was a report of a gun.

The cow did not come home in the evening and Mr. Brown, who had been away from home, went in search of her, and found her dead. When the animal was skinned it was discovered she had been shot with a charge from a shotgun.

Two men hunting groundhogs in that vicinity that day may offer some light on the shooting.

Don't try to pluck everybody just because pluck is a fine quality.
